

Nanophotonics and Meta-Materials 2009

April 28 – May 2, Rm 204, International Conference Hall, Dept. of Physics,
National Taiwan University, Taiwan

Organizer

Nikolay Zheludev (*Univ. of Southampton, U. K.*)

Stefan Maier (*Imperial College London, U. K.*)

Din Ping Tsai (*National Taiwan Univ., Taiwan*)

The 2009 International Conference on Nanophotonics and Meta-Materials was organized by the University of Southampton, Imperial College, and National Taiwan University, and will be held in National Taiwan University during April 28 to May 2, 2009. It will bring together the top professionals in nanophotonics and meta-materials from China, Hong Kong, Japan, Korea, Singapore, the U. K., and Taiwan. The invited speakers will brief on their novel research results, while the most deliberated and vibrant discussions are also anticipated. Online and fax registration are open from Jan. 15, 2009 at <http://nano2009.itrc.org.tw/> and +886-3-578-1226, while on-site registration is open on April 29, 2009.
